# Who are we and What do we do?

- Started in 2020 - basic GIS portal with homelessness related data and maps
- Expanded in 2022/Current - 4 faculty/staff, 3 post-docs, and 6-8 undergrad research assistants
  - Going beyond GIS (although always at the core!)
  - Numerous collaborations and studies
- Into the future
  - More applied research
  - More evidence-based and data-informed policy

# PAST PROJECTS & PARTNERS

- San Diego River Park Foundation/People Assisting the Homeless
- Southern California Coastal Water Research Project
- Eviction Prevention Collaborative
- Eviction Moratorium Analysis
- UC Institute of Transportation Studies, Parts 1 & 2

# CURRENT PROJECTS

- Homeless Services Ecosystem Evaluation
- Downtown Partnership Mapping
- Homeless Encampment Spatial Model
- Homelessness Hub GIS Portal
  - Data, Maps, & More!

Thank you!
